

PALANTE TECHNOLOGY COOPERATIVE, INC. WORK AGREEMENT

Date: December 15, 2018

Prepared For: Person, Organization

[Backdrop/Drupal/CiviCRM/WordPress Maintenance/Support] Plan for **sitename.org**

This Agreement between **Organization**, "Client", and Palante Technology Cooperative, Inc., and the Subcontractors or Employees thereof, "Consultants", is effective as of December 15, 2018.

[Fee calculation: Drupal OR WordPress maintenance is .75x. CiviCRM Maintenance is 1.00x. CMS AND CiviCRM maintenance is 1.75x. VPS maintenance is .25x additional, and should not be offered alone. Hosting plans are the cost of the VPS + \$5. x is below, 1. c.]

1. Fee Schedule

- a. Initial fees: Initial setup provided by Consultant shall be billed to Client at a discounted hourly rate of **[\$0.65x]**. The setup fee includes all work detailed in the Initial Setup paragraph below.
 - i. **[If we have recently built and launched the site]** This setup fee is waived for sites built by Consultant.

Fees for service shall then be billed as follows:

- b. Services: All services provided by Consultant as specified in this Agreement shall be billed to Client at a monthly rate of **[\$ if maintenance, calculate one month's fee here; if support, use agreed upon formula]**. Services include all Consultant work enumerated in paragraphs 4 to **18 [check the last paragraph # before "Excluded Services" after removing inapplicable services]** inclusive.
- c. Additional Support: Any services not specified as a Service is Additional Support. Additional support is billed separately and in addition to Services at an hourly rate of **\$x. [Support Contracts]** The first **[Y]** hours of Additional Support each month incurs no additional charges (see Appendix A) **[A discount of no more than 5% on the additional support rate (applied to both included and additional support) can be applied at our discretion if this is a contract for a new support plan.]**.
- d. Rush Work: Rush Work is defined as Additional Support work with a deadline of less than two (2) business days, or Services performed outside of Consultant Business Hours. Rush work is billed at an hourly rate of 150% of the standard hourly rate listed in section 1.c above.
 - i. **[Support Plans]** Rush Work fees are waived in all circumstances except those explicitly described in the Support Rider.
- e. Outstanding Balances: If there is a balance outstanding after the payment due

date, it may be necessary to send Client's account for further collection activity. If this occurs, then client shall be responsible for any and all fees associated with said collection efforts, including collection agency fees and attorney's fee, as permitted by law.

- f. **[Backdrop/Drupal/WordPress]** This Agreement covers a single website. Multiple websites and websites in a "multi-site" configuration require separate maintenance plans unless otherwise specified.

2. Taxes

All fees are exclusive of applicable Federal, State and local taxes. Applicable taxes shall be added to all invoices unless Client provides Consultant with valid certificates of exemption.

3. Coverage Times

Troubleshooting and Additional Support will be provided to the Client by Consultants between the hours of 10 am and 8 pm Eastern Time Monday through Friday, excluding Federal holidays and the day after Thanksgiving. These times are referred to in this Agreement as "Consultant Business Hours".

4. Initial Setup

Initial setup consists of:

- a. Installation of the git and **[drush or wp-cli]** maintenance tools as needed;
- b. a security reset to ensure that only authorized users have access to the CMS and server (e.g. removing public keys, resetting passwords, disabling root access);
- c. setup of a development site (see "Development Site" below);
- d. an initial round of Backdrop updates (see "Backdrop Updates" below); **[Backdrop only]**
- e. an initial round of Drupal updates (see "Drupal Updates" below); **[Drupal only]**
- f. an initial round of WordPress updates (see "WordPress Updates" below); **[WordPress only]**
- g. an initial round of CiviCRM updates (see "CiviCRM Updates" below); **[CiviCRM only]**
- h. Review and adjustment of core CiviCRM settings for mail, addressing, geocoding, payment processor, PHP, user permissions, and Backdrop/Drupal/Wordpress integration; **[CiviCRM only]**
- i. Audit and documentation of any existing CiviCRM custom code and/or extensions; **[CiviCRM only]**

- j. an initial round of log review (see “Log Review” below);
- k. monitoring setup (see “Monitoring” below); and
- l. setup and configuration of backups (see “Backups” below).

5. Server Prerequisites

A Website covered under the terms of this Agreement must meet the prerequisites below.

In the event that the Website is hosted on a server under control of Consultants, Consultants assume responsibility for ensuring that prerequisites are met.

- a. Administrator-level access to the [Drupal or Wordpress] site;
- b. SSH access to the production site's web server;
- c. administrator-level access to any website control panels; and
- d. the ability to install git and [drush or wp-cli] on the production web server.

6. Development Site

Consultants will maintain a development site on Consultant's servers. The development site is a regularly-updated copy of the production site. Consultants will use the development site to test updates and demonstrate new development before it is deployed to the production site.

7. Monitoring

Consultants will implement automated monitoring of select services and assets, including:

- a. site status (i.e. whether the site is up or down);
- b. DNS monitoring to ensure that Client's domain names do not expire and are not altered without authorization.
- c. SSL certificate expiration monitoring to ensure encryption certificates do not expire.
- d. [CiviCRM] Ensure CiviCRM cron (scheduled tasks) are running
- e. [CiviCRM] Monitor CiviCRM extensions for available updates
- f. [CiviCRM] Monitor a wider variety of failures on CiviCRM 4.7+ sites
- g. [Drupal] Setup palante_monitoring module to monitor backups, cron (scheduled tasks), and watchdog entries
- h. [Drupal] Monitor the Drupal “Status Report” for errors on an hourly basis
- i. [WordPress] Monitor WordPress core and extensions for available updates

8. Troubleshooting

If the website goes down, Consultants will provide 15 minutes of complimentary preliminary analysis to determine the cause of the site outage and implement any immediately available solutions. We will then report our findings to Client. Fixes for site outages beyond the initial 15 minutes of analysis and troubleshooting are not included as Services under this Agreement and will be billed as Additional Support per the fee schedule above. **[Maintenance Plans]** Consultants will prioritize troubleshooting site outages for maintenance plan subscribers and will always aim to work on the problem as soon as possible; however at this time Consultants cannot guarantee 24/7 availability or a turnaround time of less than one business day.

9. **[Drupal or WordPress] Updates [Drupal/WordPress only]**

- a. **[Drupal]** Consultants receive all announcements from the Drupal security-news@drupal.org mailing list. Additionally, each site will be configured to notify Consultants when new updates are available for Drupal core or any installed modules.
- b. **[WordPress]** Each site will be configured to notify Consultants when new updates are available for WordPress core or any installed plugins.
- c. Upon receipt of notification of available updates, Consultants will assess whether security updates are critical updates.
- d. Critical and highly critical security updates, as defined by the Drupal security team, will be tested within 1 business day of receipt of the notification. Other security updates will be tested and implemented within 7 business days of the receipt of notification. Non-security updates will be tested and implemented on a monthly basis. See <https://www.drupal.org/security-team/risk-levels> for official definitions of risk levels.
- e. All updates will first be tested on the development server to ensure that they do not cause major disruption to the website. If the updates are evaluated to be safe, Consultants will deploy the updates to the production website and do a final review to spot any major disruption to the site caused by the updates. Updates causing disruptions can, at the discretion of Client, be rolled back.
- f. Any other resolution of problems caused by updates, including applying or writing patches to the source code of the Website, is considered Additional Support.
- g. Site modifications predating this agreement, or established by parties other than Consultants, which in any way interrupt or hinder site updates, will not be covered by this agreement and will be addressed on an ad-hoc basis as Additional Support.

This applies to both the initial round of **[Drupal/WordPress]** updates included in the Initial Setup item above and ongoing updates throughout the duration of this agreement.

10. CiviCRM Updates **[CiviCRM only]**

- a. Consultants receive all announcements from the CiviCRM Security mailing list. Additionally, each site will be configured to notify Consultants when new updates are available for CiviCRM core or any installed extensions.
- b. Upon receipt of notification of available updates, Consultants will assess whether security updates are critical updates.
- c. Critical security updates will be tested within one business day of receipt of the notification. Non-critical security updates will be tested and implemented within 7 days of the receipt notification.
- d. Non-security updates will only be applied at the discretion of the Consultants, e.g. if the update fixes a specific problem the Client is experiencing.
- e. All updates will first be tested on the development server to ensure that they do not cause major disruption to the CRM. If the updates are evaluated to be safe, Consultants will deploy the updates to the production website and do a final review to spot any major disruption to the site caused by the updates. Updates causing disruptions can, at the discretion of Client, be rolled back via a restore from the most recent backup.
- f. Any other resolution of problems caused by updates, including applying or writing patches to the source code of the CRM, is considered Additional Support.
- g. Extensive testing or troubleshooting of Civi extensions will be performed off-contract after Client approval.

11. Log Review **[Drupal or Drupal/Civi]**

- a. Consultants will regularly review the Drupal database logs to ensure that Drupal **[and CiviCRM]** is **[/are]** functioning properly and that no major errors are being reported.
- b. If significant errors are reported in the Drupal database logs, Consultants will provide up to 15 minutes of complimentary preliminary analysis to determine the cause and possible solutions for the errors. Consultants will then report our findings to Client. Fixes for errors beyond the initial 15 minutes of analysis are not included as Services under this Agreement and will be billed as Additional Support per the

fee schedule above.

12. Backups

- a. Consultants will install and configure a backup solution integrated into the [Drupal or Wordpress] site.
- b. Automated backups of the database(s) will be scheduled as follows:
 - i. Three times a day (every eight hours) with seven days' worth saved;
 - ii. Once a day with thirty days' worth saved; and
 - iii. Once a week with three months' worth saved.
- c. Automated backups will be automatically monitored to ensure that the backups are running and that the backups produced are valid and complete MySQL database dumps of the Website's database.
- d. This Service does not include backups of files uploaded to the [Drupal or Wordpress] website.

13. Virtual Server Maintenance [VPS Maintenance Only]

Virtual Server Maintenance is optional, and is available for an additional fee specified under "Fee Schedule" above.

- a. Consultants will install updates of server software on a biweekly basis.
- b. Consultants will implement automated monitoring of the following additional services: SSH availability, disk space available, load monitoring.
- c. [Hosting plans only] Consultants will configure an additional backup scheduled daily, kept for 60 days, to include the [CiviCRM, Drupal or Wordpress] databases and file systems, including uploaded files.

14. Emergency System Maintenance

Consultants may perform up to 15 minutes of Emergency System Maintenance when necessary at no charge. Emergency System Maintenance means unscheduled Maintenance requiring immediate action on the part of the Consultants in order to keep the systems functioning in accordance with appropriate service levels.

15. SSL Certificate Maintenance

Consultants will provide maintenance for new and existing SSL certificates on no more than a once yearly basis. This maintenance includes assisting in the installation and auto-

renewal of new and existing SSL certificates.

16. Data Autonomy [Hosting plans only]

Consultants are committed to ensuring that Client has full access to and control of the data hosted with Consultants. With two business days' notice, for any or no reason, Consultants will provide access to all of Client's data to an authorized representative. If Client has any additional questions about their data and how it is stored, please contact Consultants.

17. Excluded Services

Requests for support on the following are always considered Additional Support.

- a. Any services or applications other than [sitename.org Drupal/Wordpress and/or CiviCRM].
- b. Updates released for third-party themes that have been customized in any way.
- c. Updates to and maintenance of any custom modules, plugins or other custom code.
- d. Support for client use of command-line developer tools
- e. [Drupal/WordPress] Training and/or documentation.
- f. [Drupal] Major Drupal core or module upgrades (e.g. Drupal 6 to Drupal 7, Views 1 to Views 2.)

18. Client Communications

Client agrees that non-urgent work requests will be submitted via Consultant's ticket management system, accessible via e-mail at tickets@palantetech.coop or online at <https://hq.palantetech.coop>.

19. Confidentiality

Consultants and their agents will not use or disclose Client information, except as necessary to or consistent with providing the contracted services, and will protect against unauthorized use.

20. Limitation of Liability

- a. The Consultants' maximum liability for services rendered under these Terms of Agreement shall be limited to the total fees paid in the previous twelve (12) months to the Consultants for the work provided, notwithstanding the basis upon which the action is taken against Client. The Consultants shall not be liable for consequential,

special, incidental or exemplary loss, damage or expense including without limitation, loss of profits or opportunities, notwithstanding whether Consultants have been advised of their existence.

- b. Contractor takes no responsibility for downtime, software failures, or data breaches that result from other applications hosted on same server as client site that the contractor does not maintain. Contractor will take precautions as necessary to reduce the risk of such events, however, any and all work on server or software as a result of a failure or breach of a non-contractor controlled site will be considered off-contract work.

21. **Consultant as an Independent Contractor**

Notwithstanding any other provisions of this agreement, the Consultants' status (and that of any Subcontractor) shall be that of an independent contractor and not that of an agent or employee of Client. Accordingly, neither the Consultants nor any Subcontractor shall represent themselves, or claim to be acting, in the capacity of an employee or agent of Client.

22. **Assignment**

It is understood and agreed that Consultants may incorporate as a different corporate entity during the term of this agreement. It is further understood and agreed that Consultants may assign this Agreement and any modifications to this Agreement to the incorporated entity, its successors and/or assigns.

23. **Dispute Resolution**

This Agreement shall be governed by the laws of the State of New York. It constitutes the entire Agreement between Client and Consultants. Its terms and conditions shall prevail should there be any variance with the terms and conditions of any order submitted by Client. Invalidity or unenforceability of one or more provisions of this Agreement shall not affect any other provision of this Agreement.

24. **Term**

The terms and conditions outlined in this agreement will continue in effect until terminated by one or both parties in writing as provided hereinafter, or modified by mutual consent. Any changes to this agreement must be in writing and signed by both parties. This agreement shall be governed in all respects by and construed in accordance with the laws

of the State of New York.

- a. This Agreement may be terminated by the Client for any reason upon thirty (30) days written notice to the Consultants, provided that such termination may not take place prior to **three months from the start of the contract**.
- b. This Agreement may be terminated by the Consultants upon thirty (30) days written notice to Client.
- c. If either party terminates this Agreement, Consultants will assist Client in the orderly termination of services, including timely transfer of the services to another designated provider. Client agrees to pay Consultants the actual costs of rendering such assistance.

25. Amendments

- a. From time to time, Consultants may unilaterally amend this Agreement, or any exhibit, schedule, or appendix of this Agreement, by giving 30 days' advance written notice to the other party.
- b. Any such amendment will take effect at the end of the notice period unless Client terminates this Agreement by giving notice to Consultants no later than the end of the 30 day notice period.
- c. The latest version of this contract, and a list of historical changes, will always be available at <https://hq.palantetech.coop/projects/commons/wiki/>
- d. Without the other party's expressed written agreement, a unilateral amendment will not retroactively eliminate or modify:
 - i. any binding dispute-resolution provision of this Agreement (for example, a binding-arbitration provision) in respect of any then-accrued claim of breach of this Agreement by one signatory party against another; nor
 - ii. any right already exercised by the other party, including for example any right to demand that Consultants perform an obligation, under this Agreement.

26. Intellectual Property

Consultants agree that any elements of text, graphics, photos, designs, and trademarks to the website and database will be owned exclusively by Client. In addition, Client will be the sole owner of the website and database. Client acknowledges that the database and website are developed with software licensed under open source licenses, and use of the software is subject to the relevant licenses. Client acknowledges that code produced by
