

PALANTE TECHNOLOGY COOPERATIVE, INC. WORK AGREEMENT

This Agreement between [CLIENT NAME], "Client", and Palante Technology Cooperative, Inc., and the Subcontractors or Employees thereof, "Consultants", is effective as of March 14, 2017.

1. Fee Schedule

- a. Initial fees: Upon execution of this agreement, client shall pay an initial set up fee of \$XXX. The set up fee includes work station installation and maintenance as specified in Appendix D. Installation and maintenance fees for work stations added after the commencement of this agreement shall be billed as per paragraph f. below.

Fees for service shall then be billed as follows:

- b. Services: All services provided by Consultant are specified in Appendix B. Said services shall be billed to Client at a monthly rate of \$XXX.
- c. Projects: Any services not specified in Appendix B are Projects. Projects are billed separately and in addition to Services.
- d. Fees for repairs and troubleshooting are as follows:
 - i. Remote services: Between the hours of 10 am-6 pm, exclusive of Holidays, non-urgent repair and/or troubleshooting or any type of systems support is complementary for the first 2 hours. Any additional shall be billed at the rate of \$XX hourly.
 - ii. On-site services: Between the hours of 10 am-6 pm, exclusive of Holidays, the fee schedule shall be the same as for remote services, above.
 - iii. Travel: If the Client requires that any Consultants travel outside of their city of residence, the Client must compensate the Consultants for any related travel and lodging expenses incurred.
 - iv. After 6pm, on weekends or Holidays, Consultant shall make a service call subject to availability and the fee shall be **150% the hourly rate**.
- e. Workstation Installation and Maintenance:
 - i. Initial set-up - \$ 2x flat fee per workstation.
 - ii. Maintenance - Windows Vista and/or any computer manufactured before January 1, 2010 - \$.5x monthly

- iii. Maintenance Discount – Workstations running Mac OS 10.9+ or Windows 7+ with a date of manufacture within 5 years of the start date of this contract receive a monthly maintenance discount of \$10.
- f. Fee Adjustments and Amendments: Fee changes or adjustments are limited to Projects and items not covered in Appendix B and shall be solely by mutual consent of Client and Consultant.
- g. Outstanding Balances: If there is a balance outstanding after the payment due date, it may be necessary to send Client's account for further collection activity. If this occurs, then client shall be responsible for any and all fees associated with said collection efforts, including collection agency fees and attorney's fee, as permitted by law.

2. Taxes

All fees are exclusive of applicable Federal, State and local taxes. Applicable taxes shall be added to all invoices unless Client provides Consultant with valid certificates of exemption.

3. Coverage

Remote help desk and management of Client's IT networks for all items listed in Appendix B will be provided to the Client by Consultants between the hours of 10 am – 6 pm Monday through Friday, excluding Holidays. Network Monitoring Services will be provided 24/7/365. Hardware costs are excluded from this Agreement.

- a. Appendix A governs the procedures of Client's initiation and Consultant's response to Client's service requests. Consultants will apply best efforts to Client's service requests made after hours or on Holidays. Trouble Tickets must be transmitted to Consultant by email to our Help Desk. If Client's email is unavailable, then Consultant will accept service requests by phone. Each service request will be assigned a Trouble Ticket number for tracking. Fees for Emergency services performed outside of the hours of 10 am – 6 pm Monday through Friday, or on Holidays, are governed by Paragraph 1, clause d. of this Agreement.

4. Additional Maintenance Services

a. Hardware/System Support

Consultants shall provide support of all hardware and systems specified in Appendix D. However, the following are conditions precedent to such support:

- i. All Hardware must be covered under a currently active Vendor Support Contract, or replaceable parts must be readily available,
- ii. All Software must be genuine and licensed.

- iii. Support for Software must be available from a vendor or active development community.

Any hardware or systems failing to meet these provisions will be excluded from this Service Agreement. Should 3rd Party Vendor Support Charges be required in order to resolve any issues, Client will be required to authorize these charges and will be responsible for all such charges incurred.

b. **Virus Recovery for Current, Licensed Anti-virus Protected Systems**

Attempted recovery from damages caused by virus infection not detected and quarantined by anti-virus software is covered at no charge under the terms of this Agreement. This Service is limited to those systems protected with a currently licensed, vendor supported anti-virus solution.

c. **Monitoring Services**

Consultants will provide ongoing monitoring and security services of all critical devices as indicated in Appendix B. Consultants will document critical alerts, scans and event resolutions to Client. Should a problem be discovered during monitoring, Consultants shall make every attempt to rectify the condition in a timely manner through remote means.

5. Minimum Standards Required for Services

In order for Client's existing environment to qualify for Consultants' Services, the following requirements must be met:

- a. All Servers with Microsoft Windows Operating Systems must be running Windows 2008 Server or later, and have all of the latest Microsoft Service Packs and Critical Updates installed.
- b. All Servers with GNU/Linux Operating Systems must be running a currently supported version of the Debian distribution.
- c. All Desktop PC's and Notebooks/Laptops with Microsoft Windows Operating Systems must be running Windows 7 or later, and have all of the latest Microsoft Service Packs and Critical Updates installed.
- d. All Desktop PC's and Notebooks/Laptops with Apple OS X Operating Systems must be running OS X 10.10 Yosemite or later, and have all of the latest system updates installed.
- e. All Desktop PCs and Notebooks/Laptops with GNU/Linux Operating Systems must be running a currently supported version of the Debian distribution.
- f. All Server and Desktop Software must be genuine and licensed. Support for software must be available from a vendor or active development community.

- g. The environment must have a currently licensed, up to date and Vendor or developer Supported Antivirus Solution protecting all Servers, Desktops, Notebooks/Laptops, and Email.
- h. The environment must have a currently licensed, Vendor or developer supported Server based Backup Solution that can be monitored, and send notifications on job failures and successes.
- i. All Wireless data traffic in the environment must be securely encrypted using WPA2.
- j. There must be an outside IP address assigned to a network device, allowing SSH, RDP, or VPN access.
- k. All Servers, Desktop PC's and Notebooks/Laptops must have currently licensed, up to date and Vendor or developer Supported remote access software, allowing Consultants access.
- l. Grandfather clause- All Clients who signed contracts with Consultants on or before Jan 1st 2015 preserve previous minimum standard requirements for existing computers. New computers must meet minimum standards as outlined in this contract.

6. Excluded Services

Service rendered under this Agreement does not include:

- a. The cost of any parts, equipment, or shipping charges of any kind.
- b. The cost of any Software, Licensing, or Software Renewal or Upgrade Fees of any kind.
- c. The cost of any 3rd Party Vendor or Manufacturer Support or Incident Fees of any kind.
- d. Failure due to *force majeure*, building modifications, power failures or other adverse environmental conditions or factors.
- e. Service and repairs made necessary by the alteration or modification of equipment other than that authorized by Consultants, including alterations or modifications of equipment made by Client's employees or anyone other than Consultants.
- f. Service and repair made necessary by the installation of software not listed as approved in Appendix C.
- g. Maintenance of Software packages, whether acquired from Consultants or any other source unless as specified in Appendix B.
- h. Programming (modification of software code) and program (software) maintenance unless as specified in Appendix C.
- i. Any taxes applicable to Consultant's invoices.

7. Confidentiality

Consultants and their agents will not use or disclose Client information, except as necessary to or consistent with providing the contracted services, and will protect against unauthorized use.

8. Limitation of Liability

The Consultants' maximum liability for services rendered under these Terms of Agreement shall be limited to the total fees paid in the previous twelve (12) months to the Consultants for the work provided, notwithstanding the basis upon which the action is taken against Client. The Consultants shall not be liable for consequential, special, incidental or exemplary loss, damage or expense including without limitation, loss of profits or opportunities, notwithstanding whether Consultants have been advised of their existence.

9. Consultant as an Independent Contractor

Notwithstanding any other provisions of this agreement, the Consultants' status (and that of any Subcontractor) shall be that of an independent contractor and not that of an agent or employee of Client. Accordingly, neither the Consultants nor any Subcontractor shall represent themselves, or claim to be acting, in the capacity of an employee or agent of Client.

10. Dispute Resolution

This Agreement shall be governed by the laws of the State of New York. It constitutes the entire Agreement between Client and Consultants for monitoring/maintenance/service of all equipment listed in "Appendix D." Its terms and conditions shall prevail should there be any variance with the terms and conditions of any order submitted by Client. Invalidity or unenforceability of one or more provisions of this Agreement shall not affect any other provision of this Agreement.

11. Amendments

- a. From time to time, Consultants may unilaterally amend this Agreement, or any exhibit, schedule, or appendix of this Agreement, by giving 30 days' advance written notice to the other party.
- b. Any such amendment will take effect at the end of the notice period unless Client terminates this Agreement by giving notice to Consultants no later than the end of the 30 day notice period.
- c. The latest version of this contract, and a list of historical changes, will always be available at <https://hq.palantetech.coop/projects/commons/wiki/>

- d. Without the other party's express written agreement, a unilateral amendment will not retroactively eliminate or modify:
 - i. any binding dispute-resolution provision of this Agreement (for example, a binding-arbitration provision) in respect of any then-accrued claim of breach of this Agreement by one signatory party against another; nor
 - ii. any right already exercised by the other party, including for example any right to demand that Consultants perform an obligation, under this Agreement.

12.Holidays

Holidays are defined as all Federal Holidays and the day after Thanksgiving.

13.Term

The terms and conditions outlined in this agreement will continue in effect until terminated by one or both parties in writing as provided hereinafter, or modified by mutual consent. Any changes to this agreement must be in writing and signed by both parties. This agreement shall be governed in all respects by and construed in accordance with the laws of the State of New York.

- a. This Agreement may be terminated by the Client for any reason upon thirty (30) days written notice to the Consultants, provided that such termination may not take place prior to **three months from the start of the contract**.
- b. This Agreement may be terminated by the Consultants upon thirty (30) days written notice to Client.
- c. If either party terminates this Agreement, Consultants will assist Client in the orderly termination of services, including timely transfer of the services to another designated provider. Client agrees to pay Consultants the actual costs of rendering such assistance.

Response and Resolution Times

Consultants will designate a person to be the on call service provider for all business hours Monday through Friday, 10am to 6pm. The following are the procedures for Consultants response to Clients during business hours:

1. Client initiates incident by creating a ticket via email.
2. Consultants will respond to email in no more than 30 minutes.
3. In the event of an urgent incident:
 - a. The on call technician will begin working on the incident within 1 hour.
 - b. If the incident is not resolved within 4 hours of the Client contacting Consultants, all available service providers will be tasked with resolving the incident as soon as possible.
 - c. In case of an urgent incident requiring immediate on site support, a technician will be en route to Client's office in no more than three hours.
4. In the event of a non-urgent incident, Client may stipulate that an issue requiring 30 minutes or fewer to resolve be completed within 24 hours of the incident being reported.
5. "Urgent incident" is used herein to refer to service not available (all users and functions unavailable), significant degradation of service (large number of users substantially affected, or business critical functions affected), or an incident in which a user is unable to complete the same task on a different computer (including but not limited to an unavailable computer with similar software installed, or a user traveling outside the office). "Non-urgent incident" is used herein to refer to a limited degradation of service (limited number of users affected, business process can continue).
6. In cases where email services are unavailable or not functioning, Client can call Consultants at the on call phone number.
